

Bride's Emergency Kit

Following is a list of wedding day emergency items. Place them in a bag and leave them in the bride's changing room - just in case. One of the bridesmaid's, a mother, or a reliable guest who can be at the reception a little early if needed is the perfect "keeper of the kit". Hopefully you will never have a need for these items on your wedding day, but it never hurts to have good insurance - or a good emergency kit. These are just some suggested items. We have left plenty of room for your to add your "must have" items.
